ALASKA STATUTE 14.45.100 REQUIREMENTS OF EXEMPT SCHOOLS.

(a) The parent or guardian of the child of compulsory school age enrolled in a religious or other private school that complies with AS 14.45.110 – 14.45.130 shall file an annual notice of enrollment in the school for the child with the local public school superintendent for the area in which the child resides on a form provided by the department. The form shall be signed by the parent or guardian and the chief administrative officer of the school and returned to the local public school superintendent by the parent or guardian. The school shall notify the local public school superintendent within a reasonable time if the child is no longer enrolled in or attending the school.
